Change the dinner to the 7th of December so it will be instead of the Meeting. We will be nailing down the details on the November Meeting. We will be doing a gift exchange under \$10 and we play some kind of game with that.

Randy is looking for ideas that we could do at the meeting such as tying knots, or making kites without sewing.

Wanting to know how many people might be interested in doing workshops, like banner making or kite making. Possibly on a Saturday or Sunday and people could come and go as they please. Could do appliqué techniques possibly?

We are looking for a theme. An idea was brought up about doing dessert pot luck.

JD won 4 more trophies at the seaside event. There was a huge car show there also which JD said was great.

JD wanted to go to Whitby Island but decided it was too long of a drive.

Next week Randy and JD will be going to Lincoln city and they are hoping to have 10000 kites in the air. JD was in the Oregon Kiter's publication as was Lisa as part of the ladies kite flyers.

New members this week Bill Arnold, who is Cheryl's significant others

Guests Tessa and Misha Lake. They want to learn to make kites; Misha has a business making jewelry at the craft fair.
